ABOUT ME

Passionate about web development, I thrive on continuous learning and staying up to date with the latest technologies. With a strong interest in technology and gadgets from a young age, I enjoy problem-solving and creating innovative solutions. Beyond tech, I'm a sports enthusiast who values staying active. I'm highly motivated by collaboration, as I find inspiration in working with and learning from others.

EDUCATION

April 2023 - September 2023

Life Choices Academy

Completed an intensive coding full-stack web-development 6-month course.

- Built fully functional websites such as a personal portfolio and as well as e-commerce
