EXPERIENCE

February 2024 - Present
Global Employment Challenge (GEC)

As a member of the GEC program, I'm on a journey to level up my skills, gearing up to collaborate with employers worldwide. I'm all about embracing growth and staying agile in today's global job scene.

- Currently attends professional development masterclasses.
- The current project tasked to build a log book system for GEC for user interfaces, mentors and admin functionality.
- Currently upskilling at Project Management Institute (PMI)

ABOUT ME

My passion lies in the Web-Development industry. Alongside my academic pursuits, I am a sports enthusiast, always striving to be active. I have a keen interest in technology and gadgets, stemming from a young age. Driven by my passion, I am committed to continuous learning, always open to new ideas and perspectives. Working with people is something I enjoy, as I find motivation in learning from and interacting with others.

EDUCATION

April 2023 - September 2023
Life Choices Academy

Completed an intensive coding full-stack web-development 6-month course.

- Built fully functional websites such as a personal portfolio and as well as e-commerce
- Worked on a Node.js project with a peer showcasing team cohesion

September 2023 - February 2024
LC (Life Choices) Studio

At LC Studio I have undertaken several courses such as the AWS Cisco where I have attained badges for each completion. Below are a few duties I have performed as an intern at LC Studio;

- SRUM projects: Completed projects, example Designing a food delivering application using SCRUM techniques
- Team cohesion: Worked as part of a team to complete projects
- Meeting minutes: Recorded project meeting minutes and distributed it to the team
- Website development: Created my Vue.js portfolio

VOLUNTEERING

2020 - Present
An active member of the Ishraaq Youth Group

Attends the annual youth camp hosted by Musjidul Ishraaq and as a youth leader here are the following duties I would perform to the best of my ability;

- Team building: Planning team building initiatives
- Management: Leading the youth and managing time effectively
- Communication: Responsible for sending communication to the youth via online channels
